About Us

Since its founding in 1919, The mission of the American Legion has focused on four main pillars:

- Advocating for Strong National Security
- Taking Care of Veterans
- Caring for Children and Youth
- Promoting Americanism, Patriotism and
- Honor

American Legion Riders are well known across the nation for their charitable work, which has raised hundreds of thousands of dollars per year for local children's hospitals, schools, veteran's homes, severely wounded servicemembers and scholarships. Since 2006, Riders nationwide participated in The American Legion Legacy Run to annually raise money for the Legacy Scholarship Fund. After transitioning during the 2024 campaign year, the focus in 2025 and future campaigns is on supporting the Veterans and Children Foundation.

The American Legion is a 501(c)(19) non-profit Veteran Service Organization. A 501©(19) donor acknowledgment letter and Form W9 will be provided to all non-legion donors. Some or all of your Legacy Fun donation may be tax deductible. See your tax advisor for deduction information specific to your tax situation.

Veterans and Children Foundation

All contributions to The American Legion Veterans & Children Foundation (VCF) flow directly to the organization's Temporary Financial Assistance (TFA) program and Veterans Affairs & Rehabilitation efforts, primarily training for American Legion service officers who work tirelessly to help veterans and families understand their health-care benefits, education and employment opportunities at no cost to the veteran.

Through VCF funding, TFA grants feed and house children of military personnel and veterans facing urgent, unexpected hardships. These grants prevent eviction, keep the power on and fulfill basic needs to hold a family together through difficult times. Since 2017, VCF has provided over \$2 Million in TFA grants to families in need.

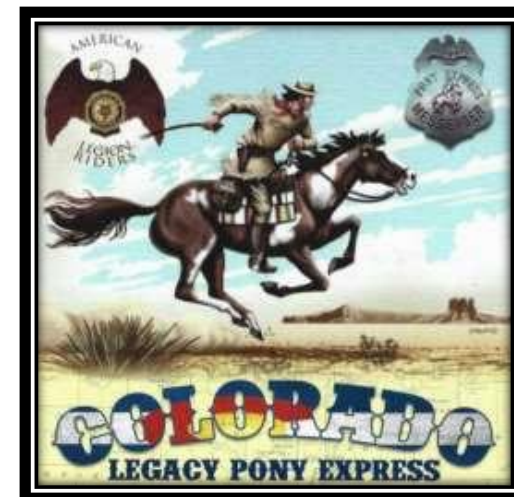

The VCF also covers training and accreditation costs for American Legion claims experts who provide free representation for veterans and families applying for disability benefits, survivor assistance, education opportunities and more.

About The American Legion Veterans & Children Foundation

The American Legion Veterans & Children Foundation was established in 1925 as the American Legion Endowment Fund. Since then, the donation-driven fund has helped millions of disabled veterans and military/veteran families facing unexpected, threatening challenges. The foundation is a separate tax-deductible nonprofit 501(c)3 organization with a dedicated board of directors and national steering committee. It was renamed The American Legion Veterans & Children Foundation in 2019 to better reflect those it serves.

Success of Year over Year giving

Previous annual American Legion Rider Legacy Campaigns focused support to the American Legion Legacy Scholarship fund. This fund was established to provide needs-based scholarships to children of those killed in action, died on active duty and 50% or greater disabled veterans. Thanks to the tremendous support of donors not only in Colorado, but across the nation, the cumulative donations helped the fund become self-sustaining during the 2023-2024 years, ensuring that all who met the need and eligibility criteria could be awarded scholarships. With that goal achieved, the annual American Legion Rider Legacy Campaign efforts nationwide have shifted to support the Veterans and Children Foundation with the same goal of achieving self-sustainment through year over year giving.

2025 Colorado Legacy Campaign and annual Legacy Pony Express Run

Colorado American Legion Post families across the state engage in fundraising efforts or contribute to the 2025 fundraising effort in conjunction with their program during the year. The donations received are consolidated at various relay stations across the state.

On July 5th, 2025, Colorado American Legion Riders will conduct the state-wide Pony Express run, riding one of the designated routes to collect donations from each of the relay stations. All routes will reach a central collection point in the afternoon for a campaign celebration and some good old-fashioned fun. The routes, enroute stops and final stop location will be published on <https://alrco.org>.
